“Just as citizens are being asked to defer nonessential travel and errands, so should government agencies defer noncritical policy-making decisions until full and meaningful public involvement can be guaranteed.” (A letter from the First Amendment Coalition and the National Freedom of Information Coalition — along with about 130 other organizations)

San Jose Mayor Liccardo said Tuesday that upcoming council agendas would be thinner than normal “until we get the bandwidth to engage more meaningfully.” “Right now, we’ve got a very busy, underslept staff,” Liccardo said, adding that the majority of city employees are focused on coronavirus-related response issues. “We don’t want to pull them into the council for these hearings until and unless the items are particularly urgent.”

Purpose: As the South Bay Consortium Steering Committee members represent individual districts and as a region plan, develop, recommend and implement adult educational programs aligned with AB104 legislation.

Guiding Principles

- Focus on the needs of adult education students first • Embrace collaboration and partnership to have a positive collective impact on our region
- Work with transparency and inclusion with all stakeholders • Seek other community partnerships and connections to leverage resources and achieve better outcomes • Explore expansion and innovation in adult education services in the region • Commit to ideas, decisions and practices that anticipate the future needs for adult learners in our region

Meeting Norms

- Meetings start on time • Members come prepared • Decision making is by consensus • Presume good intentions • Focus on issues, not people • Impact on students most important • One person speak at a time • All members are given opportunity to be heard
