

South Bay Consortium for Adult Education

Priorities - Project 1 Area for FY 18-19

Project 1 – Transition Specialists and Support Services

- 1 Simplifying and standardizing data collection and analysis (see Project 8)
- 2 Developing a system of supports with and for student ambassadors.
- 3 Clarifying roles and responsibilities for Transition Specialists and those in each site who interact with them.
- 4 Mapping levels of support for students at all levels assuring equity.
- 5 Focus on improving the practices of the "warm handoff"
- 6 Adult schools and college TS need time to meet as separate focus groups.
- 7 Implement Community Pro as a possible referral tool/case management support (see Project 8)
- 8 Update the community resources database
- 9 Study best practices of student needs assessment and connection to appropriate resources (ISP model, the IIF Pilot – Project 6)
