

South Bay Consortium for Adult Education

Priorities - Project 8 Area for FY 18-19

Project 8 – Connections and Leveraging Funds

- 1 Formalize engagement with community groups and resources
 - a. Identify groups which needs formal SBCAE representation: (workforce development boards, Chambers of Commerce, Refugee and Immigrant Forum, Step up Silicon Valley, ALLIES EPN, county social services, etc.)
 - b. Assign roles and responsibilities for attendance and reporting
- 2 Explore the stronger connections, and possible leveraged funds in the colleges (Strong Workforce, Guided Pathways, SSSP, non-credit program expansion aligned to consortium goals),
- 3 Build regular communication with K-12 district resources (boards, superintendents, other support resources – SPED etc.)
- 4 Explore more mutually beneficial operational relationships with community-based partners such as the criminal justice system including adult and juvenile justice system, Opportunity Youth, library literacy programs, AWD networks, Dept. of Rehab, etc.
- 5 Establish a “rapid response” process to identify who responds to community requests for classes
