

Steering Committee Meetings

Purpose: SBCAE is a consortium of 4 community colleges and 5 adult schools that works with regional partners to align educational opportunities for adult learners in order to promote upward social and economic mobility in the South Bay region. SBCAE Steering Committee members represent individual districts and as a region plan, develop, recommend, and implement educational programs for adults aligned with AB104 legislation.

Guiding Principles

- Focus on the needs of adult education students first
- Embrace collaboration and partnership to have a positive collective impact on our region
- Work with transparency and inclusion with all stakeholders
- Seek other community partnerships and connections to leverage resources and achieve better outcomes
- Explore expansion and innovation in adult education services in the region
- Commit to ideas, decisions, and practices that anticipate the future needs for adult learners in our region

Meeting Norms

- Meetings start and end on time and the public space is respected.
- Decision making is by consensus with all members given the opportunity to be heard.
- One person speaks at a time following acknowledgement from the Chair.
- The body, and the public, should engage in turn order comment (i.e., raising of hands).
- Speak courteously when making queries of members of the body or the public and listen actively, allowing each participant to express their viewpoints without interruption or judgment.
- Respect diverse opinions and perspectives to foster a collaborative and inclusive environment.
- Offer feedback and critique constructively, focusing on ideas rather than individuals.
- Personnel matters should be addressed privately to leadership.
