

Steering Committee Meetings

Purpose: SBCAE is a consortium of 4 community colleges and 5 adult schools that works with regional partners to align educational opportunities for adult learners in order to promote upward social and economic mobility in the South Bay region. SBCAE Steering Committee members represent individual districts and as a region plan, develop, recommend, and implement educational programs for adults aligned with AB104 legislation.

Guiding Principles

• Focus on the needs of adult education students first • Embrace collaboration and partnership to have a positive collective impact on our region

• Work with transparency and inclusion with all stakeholders • Seek other community partnerships and connections to leverage resources and achieve better outcomes • Explore expansion and innovation in adult education services in the region • Commit to ideas, decisions, and practices that anticipate the future needs for adult learners in our region

Meeting Norms

• Meetings start on time • Members come prepared • Decision making is by consensus • Presume good intentions • Focus on issues, not people • Impact on students most important • One person speak at a time • All members are given opportunity to be heard
